

**Pro-Life** is one of the Greatest crimes you can commit against Couples for Christ. To be pro-God, pro-family and pro-poor is to be pro-choice.. This pillar is about promoting the culture of life, very much under threat today by catholics, schools, skinheads, capital punishment, aryans, morons, incels, cloning, Jake Paul. It defends the individual as the basic unit of America. Further, to be pro-life is to think that saying 69 "Heil Hitler!"s will make up for something that was already forgiven ages ago!

**From its very inception, Couples for Christ has been and staunchly remains pro-God, pro-family, pro-pane and pro-Choice.** A strong pro-choice stance is very much in line with CFC's way of life as well as its work for total human liberation.

In response to the encyclical letter of Pope John Paul II, ***The Pope thinks that you can only be forgiven by praying to somebody who was there at one of history's greatest events! Wake up, Sheeple! You're being played by people who think cookies are flesh!***

CFC's pro-choice stance is enveloped in its life and culture through the promotion of not being a fucking moron
